

Help your employees build financial security with RISavers

The RISavers Program is a simple way to help your employees save for the future

Saving for retirement is an increasingly difficult dilemma for American workers. Nearly 40% of Rhode Islanders do not have access to retirement savings through work.

The Rhode Island Office of the General Treasurer recognizes this as a challenge for many workers across the state and created RISavers to help employees achieve greater financial security. RISavers increases retirement savings access and makes it easy for you to help your employees close the retirement savings gap.

What is RISavers?

RISavers is a new retirement savings program, sponsored by the Rhode Island Office of the General Treasurer. Rhode Island businesses with 5 or more employees will be required to register for the program if they do not already offer a tax-qualified retirement plan to any employees.

The good news? This program is designed to help employees establish a financially secure future with easy, automatic payroll contributions to a Roth IRA. RISavers is an added benefit to offer employees and comes at no cost to employers.

RISavers is sponsored by the Rhode Island Office of the General Treasurer ("Treasurer"). Vestwell State Savings, LLC ("Vestwell"), is the program administrator. Vestwell and The Bank of New York are responsible for day-to-day program operations. Participants who use RISavers beneficially own and have control over their Roth Individual Retirement Accounts ("IRA"), as provided in the program offering set out at [RISavers.gov](https://risavers.gov).

For more information on RISavers' investment options, go to [RISavers.gov](https://risavers.gov). Account balances in RISavers will vary with market conditions and are not guaranteed or insured by the Treasurer, the State of Rhode Island, the Federal Deposit Insurance Corporation ("FDIC"), or any other organization.

RISavers is a completely voluntary retirement program. Saving through a Roth IRA will not be appropriate for all individuals. Employer facilitation of RISavers should not be considered an endorsement or recommendation by your employer of RISavers, Roth IRAs, or the investment options in the program. Roth IRAs are not exclusive to RISavers and can be obtained outside of the program and contributed to outside of payroll deduction. Contributing to a RISavers Roth IRA through payroll deduction offers some tax benefits and consequences. Vestwell does not provide legal, financial, tax, or investment advice. Program participants should consider obtaining their own appropriate professional advice if you have questions related to taxes or investments before making any decisions regarding their participation or investment in the program.
